Re : **Price Adjustment/Penyelarasan Harga**

Please Take Note! Sila Ambil Perhatian!

We would like to express our appreciation to all the users who always give confidence to the products marketed by our company. Since 2016, our company has been trying to keep prices competitive with competitor product in the market. However, the uncertain economic environment as a result of rising raw material prices, currency devaluation and rising cost of transportation have changed the product costs. Our company had to make price adjustment after obtained approval from KPDNHEP for the following product effective **1 June 2021**

Kami ingin merakamkan setinggi-tinggi penghargaan kepada semua pengguna yang sentiasa memberi kepercayaan kepada produk-produk yang dipasarkan oleh syarikat kita. Sejak 2016, syarikat kita telah berusaha untuk mengekalkan harga yang kompetitif dengan produk pesaing yang ada di pasaran. Akan tetapi, suasana ekonomi yang tidak menentu akibat daripada kenaikan harga bahan mentah, penurunan nilai matawang serta peningkatan kos pengangkutan telah mengakibatkan kos produk berubah. Syarikat kita terpaksa membuat penyelarasan harga terhadap produk berikut setelah mendapat kelulusan daripada KPDNHEP berkuatkuasa **1 Jun 2021**

| No | Product | Quantity | Value (BV) | Current Price (RM) | New Price (RM) |
|----|-----------|----------|------------|--------------------|----------------|
| 1 | Codi Café | 1 box | 10 | 33.00 | 43.00 |

However, the prices for other products remain unchanged. Continued support from distributors and customers is much appreciated.

Walau bagaimanapun, harga bagi produk-produk lain kekal tidak berubah. Sokongan yang berterusan daripada pengedar dan pelanggan amat kami hargai.
