Re : **Price Adjustment / Penyelarasan Harga**

Please Take Note! Sila Ambil Perhatian!

We would like to express our appreciation to all the users who always give confidence to the products marketed by our company. Our company has been trying to keep prices competitive with competitor product in the market. However, the uncertain economic environment as a result of rising raw material prices, tariff increase and rising cost of transportation have changed the product costs. Our company had to make price adjustment after obtained approval from KPDN for the following products effective **3 June 2025**.

Kami ingin merakamkan setinggi-tinggi penghargaan kepada semua pengguna yang sentiasa memberi kepercayaan kepada produk-produk yang dipasarkan oleh syarikat kita. Syarikat kita telah berusaha untuk mengekalkan harga yang kompetitif dengan produk pesaing yang ada di pasaran. Akan tetapi, suasana ekonomi yang tidak menentu akibat daripada kenaikan harga bahan mentah, peningkatan tarif serta peningkatan kos pengangkutan telah mengakibatkan kos produk berubah. Syarikat kita terpaksa membuat penyelarasan harga terhadap produk-produk berikut setelah mendapat kelulusan daripada KPDN berkuatkuasa **3 Jun 2025**.

No	Product	Quantity	Value (BV)	Current Price (RM)	New Price (RM)
1	Codi Juize	1 box	150	350.00	380.00
2	Codi Daylite	1 box	75	175.00	190.00
3	Codi Belle	1 box	30	94.00	99.00
4	Codi Bioceps Vira	1 bottle	150	350.00	380.00

However, the price for other products remained unchanged. Continued support from distributors and customers is much appreciated.

Walau bagaimanapun, harga bagi produk-produk lain adalah kekal tidak berubah. Sokongan yang berterusan daripada pengedar dan pelanggan amat kami hargai.
